We also offer a salad bar 2-3 times per week to students 3rd-12th. It is an a la carte item and may be purchased instead of a reimbursement meal or with a meal. The cost is \$2.50 for all students and \$4.00 for Adults. Because it is an a la carte item, it is not included in the Free and Reduced Program and all students must pay \$2.50.

Students in Kindergarten are offered milk at their "Milk Break" daily. This is not included in the free or reduced application. Therefore, students are charged \$.50 per milk drank during milk break.

**It is the policy of the Okeene Board of Education that students may charge their lunches with a maximum of 10 charges per student allowed.** Statements are sent home with students. When a student exceeds 10 charges they will be notified to bring a sack lunch or the parents will need to make other arrangements.

Parents may apply for free or reduced meals for their families by obtaining an application from the building principal's office or the Superintendent's office after August 1st. We encourage parents to look at this application to see if they might qualify. This is a program to benefit your family. You may apply for this any time during the school year.
